

## **On-line Learning Kindergarten T/Th class McGrattan**

**Dates: Tuesday, May 11; Thursday, May 13;**

**Tuesday, May 18; Thursday, May 20**

### In Home Learning Packet

- Complete one page (both sides) on each kinder day. One side is numeracy review, the other side is literacy/alphabet review
- Trace over your phone number each day and read it 3x to someone
- Practice printing your full name on the lined paper (we are practicing printing smaller and using notebook type lined paper)
- On RazKids app (we do this in class and app instructions are part of the package) complete 1 story (both listening and reading sections) in the Level Up rocket section, and complete 1 story (both listening and reading sections) in the My Assignment rocket section
- On SeeSaw app, choose one assignment to complete and submit.

### Extra activities suggested for parents include

- play games with letters and numbers – make a game of reading license plates or letters on store signs, play 'I Spy' with shapes, learn Uno or Go Fish or Old Maid
- try some easy jigsaw puzzles either on line or actual puzzles
- read your library book, home books or go onto Epic

Join us for Google Meets (45 minute session) for calendar activities, a story from Mrs. S., number and letter review time.

Cheryl and I have also made videos of calendar, stories and literacy/numeracy review to post on the SeeSaw Away Today section for students who cannot join us on the Google Meet.
