We are excited to start up our award winning choir again for the new school year. We practice every Thursday afterschool in our common area and are looking for singers who are dedicated to continue to build our great vocal program in our school.

Note: Regular attendance is important, and although we know people occasionally miss, we do require a minimum amount of attendance to perform in concerts. (We need our singers to know the songs).

If you have any questions, please contact Mr. Latta at the school!

Remember to sign up for WMES CHOIR news on our app to keep up with any announcements relating to the choir.
