Old Business:

-Letter sent to the Town of Claresholm regarding the ice build up near the crosswalk. A trench of sorts was dug but unsure of effectiveness until we get a decent melt. Next plan of action would be attending a town meeting to address our concerns.

Trustee's Report: Carla Gimber

-Had a condensed meeting on the 14th as meetings will be split into 2 this month. Discussed attended Remembrance Day ceremonies attended. Requested that an invite be sent to the school choir to perform for Trustees. Going to Edmonton for ASBA Fall General Meeting.

Principal's Report: Sean Latta

-Thank you for all the work we do. Attendance for the Remembrance Day ceremony was great, and completely student lead.

-Halloween Dance put on by the fundraising committee was also a huge success.

-Staff will begin shortly with field trip proposals.

-\$500 grant from last year can be carried over but it's already been spent. Would like to start coming up with ideas for this year to help support parents/guardian engagement at the school.

-Regrets from Gwen that she couldn't attend, however we were treated to a video presentation regarding the "Leader in Me" program and our school's action plan for the rest of the year.

-Report cards coming up. K-3 teachers still playing around with reporting systems.

Meeting adjourned @ 7:04pm

Next meeting will be January 18th, 2023
